## LED Lighting Kit

LED Control Box  
(Included)

Front  
(To Projector)

Power Cable  
Slot

LED Strips  
(Included)

The LED strips are pre-installed on  
the frame. Users are only required to  
connect the corners and the LED  
control box during assembly process.

If the user does not have an  
available power supply  
directly behind the screen, a  
slot is available for the user  
to feed the power cable  
through the lower portion of  
the frame.
